General Comments
<p>On the day of my visit the preschool licence was functioning very well. The staff are doing a wonderful job following Covid-19 and delivering good programming. They are very kind and patient with the children and they take their time to get to know the children's needs.</p> <p>The classrooms look great and reflect the centers concern with green issues. There are a couple of napping cots that need to be replaced because of tears,Lynette has more and will replace them before nap time.</p> <p>Lynette and I reviewed all administrative files and everything was organized and up to date.</p>
