Order for Compliance	Regulation	Date to be corrected	Date corrected
12(2) An operator of a licensed facility shall ensure that a criminal record check or a vulnerable sector check, as the case may be, and a check with the Department of Social Development is conducted on each individual before he or she becomes a staff member.	12(2)	Oct 23, 2025	Oct 23, 2025
Comments: The inspector reviewed the employee files and identified that one educator did not have a valid criminal record and vulnerable sector check on file. The inspector instructed the educator to leave the center immediately and advised that she may only return once a valid check has been obtained. A few hours later, the educator returned with a valid criminal record and vulnerable sector check and returned to her assigned group. Deficiency is now compliant.			

General Comments
The inspector was onsite to conduct a renewal inspection and observed children engaged in various activities throughout the day, both indoors and outdoors. In the morning, children participated in age-appropriate activities centered around a Halloween theme. In the infant group, educators assisted children in creating Halloween-themed artwork using their footprints. In another group, children were guided by an educator in making witch-themed art. The inspector also observed the children during lunchtime, rest period, and outdoor play in the afternoon. The ratio is respected during the renewal inspection.
