24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (b) child records that include: (iv) the name, address and telephone number of at least two individuals authorized by the child's parent or guardian to pick up the child and to be contacted in case of an emergency if the parent or guardian cannot be reached,	24(1)(b)(iv)	Mar 05, 2024	Mar 05, 2024
Comments: In one out of 6 child records verified , the Quality Assurance Monitor noticed that one of the emergency contacts listed was the child's step-mom. The Quality Assurance Monitor mentioned to the staff member that the emergency contact for children should be 2 people other than the parent or guardian. The step-mom works at the daycare and was able to provide another emergency contact for the child. Deficiency is now compliant.
