Comments: Locks used on cabinet are "for home use only". Medications to be locked in a locked box in this cabinet or stored elsewhere, locked and inaccessible to children.			
47(1) An operator of a licensed facility shall refuse admission to a child if satisfactory proof of the immunizations required by the Public Health Act or the regulations under that Act is not provided.	47(1)	Oct 18, 2019	
Comments: Random review of files: Immunization record not received prior to child starting child care facility.			

<p>General Comments</p> <p>Renewal Inspection:</p> <p>The environment is set up a wide variety of materials to interact and engage with. Children participated in outside play for the majority of the day. The outside learning environment also has a variety of materials for the children to explore with.</p> <p>Educators observed speaking appropriately and kindly to the children. Getting down to their level in conversations and learning.</p>
