24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (f) daily attendance records of the children on forms provided by the Minister.	24(1)(f)	Jul 28, 2022	Jul 28, 2022
Comments: There were children indicated as absent on the attendance records however the staff were not using the absent reason codes to indicate the reason for the absence. Attendance records must be complete, showing all absences and detailing the reason as per the Licensing Regulation. The educator corrected this immediately during the inspection and now understands the reason why the absent codes must be used. Deficiency is now compliant			

General Comments
The indoor play area is well provisioned, staff were observed circulating between the larger space and the two smaller rooms, this ensures adequate supervision in a school age program. Staff use planning tools (calendar and notebook) to document the daily activities and have posted documentation of the children's learning in the classroom near the entrance so that it can be viewed by parents, children, and any other visitors.
