12(3) An operator of a licensed facility shall ensure that a criminal record check or a vulnerable sector check, as the case may, and a check with the Department of Social Development is conducted on each staff member and associated person at least every five years.	12(3)	Feb 26, 2024	
<p>Comments: During the renewal inspection, the inspector observed that 1 out of the 11 employees files audited did not have a valid criminal record/vulnerable sector check. The staff member can continue to work at the facility, as planned. The operator has 10 days to submit a valid criminal record/vulnerable sector check. During the renewal inspection, the inspector observed that 1 out of the 11 employees' files audited did not have a valid check with Social Development. The staff member can continue to work at the facility, as planned. The operator has 10 days to submit a valid check with Social Development.</p>			
24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (b) child records that include: (ii) the name, address and telephone number of the child's medical practitioner.	24(1)(b)(ii)	Feb 16, 2024	Feb 13, 2024
<p>Comments: During the renewal inspection, the inspector observed that the name, address, and telephone number of the child's medical practitioner was missing in 1 of the 10 files verified. The child's file must include the name, address, and telephone number of their medical practitioner. During the inspection, the parent provided the medical partitioners information to the administrator. Deficiency is now compliant.</p>			
27 An operator of a licensed facility shall obtain the written consent of a parent or guardian of a child receiving services at the licensed facility before doing any of the following: (g) transporting or providing for the transportation of the child.	27(g)	Feb 16, 2024	
<p>Comments: During the renewal inspection, the inspector observed that consent for transporting the child or providing transportation is missing in 1 of the 10 child files verified. The operator must ensure that consent for transporting the child or providing transportation is provided by the parents.</p>			
30(1) A full-time or part-time early learning and childcare centre shall have an indoor play area of at least 3.25 m ² for each child receiving services at the centre.	30(1)	Feb 13, 2024	
<p>Comments: During the renewal inspection, the inspector observed 8 children playing in a room measured for 6 children. The operator must ensure that the maximum group size is respected and there must not be more children in a room than the measured space allows.</p>			
32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (d) clean and in good repair.	32(1)(d)	Feb 19, 2024	

Order for Compliance	Regulation	Date to be corrected	Date corrected
Comments: During the renewal inspection, the inspector observed that the foam of two cushions placed on top of two chairs inside the library is fully exposed. The operator must repair or dispose of the cushions.			
40(1) An operator of a licensed facility shall ensure that personal belongings of a child receiving services at the licensed facility that are brought to the licensed facility, including combs, brushes, toothbrushes, towels, washcloths, bedding, pacifiers and soothers, are (a) labelled with the name of the child.	40(1)(a)	Feb 16, 2024	Feb 13, 2024
Comments: During the inspection, the inspector observed that 1 out of the 6 water bottles verified were not labelled with the name of the child. The operator must ensure that water bottles are labelled with the child's name to prevent and control the spread of communicable diseases and illness. During the inspection, a staff member labelled the water bottle. Deficiency is now compliant.			
48(2) An operator of a licensed facility may supply food to a child receiving services at the licensed facility that a parent or guardian of the child brings from the child's home if the food is labelled with the child's name and refrigerated, as required.	48(2)	Feb 16, 2024	
Comments: During the renewal inspection, the inspector observed that 2 out of 6 lunchboxes are not labeled with the children's names. The operator must ensure that all food brought from home is labeled with the child's name.			

General Comments

During the renewal inspection, the inspector observed the children participating in a valentine card painting activity and making heart shaped cookies. The inspector also observed indoor free play, snack time and outdoor free play.

The ratio is respected during the inspection.
