Order for Compliance	Regulation	Date to be corrected	Date corrected
32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (b) arranged on low, open shelves and accessible to the children receiving services at the licensed facility, Comments: During the renewal inspection, the inspector observed that art materials were not easily accessible on low, open shelves for children in 1 of the 4 classrooms. The operator must ensure that art materials and equipment are easily accessible to all children.	32(1)(b)	Feb 23, 2023	
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies; Comments: During the renewal inspection, the inspector observed an antiperspirant spray bottle on a shelf in the hallway. Toxic products must be locked and inaccessible to children. During the inspection, an educator placed the antiperspirant spray bottle in a locked storage. Deficiency is now compliant.	39(2)(a)	Feb 21, 2023	Feb 21, 2023
41(3) An operator of a licensed facility shall (a) post diaper-changing procedures in diaper-changing areas. Comments: During the renewal inspection, the inspector observed that an educator did not wash their hands before and after completing a diaper change. The operator must ensure that diaper changing procedures are followed.	41(3)(a)	Feb 21, 2023	

General Comments
During the renewal inspection, the inspector observed outdoor free play, lunch, quiet time, indoor free play and snack time.
During the inspection the ground was snow covered; therefore, the park assessment will be conducted in the spring with a member of the licensing team.
The ratio is respected during the inspection.
