Order for Compliance	Regulation	Date to be corrected	Date corrected
2.1(3) An operator of a designated facility shall not set its daily cost of services provided to an infant or a preschool child above the market fee threshold.	2.1(3)	Feb 29, 2024	
Comments:			
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Feb 23, 2024	Feb 23, 2024
Comments: During the renewal inspection, the inspector observed a lighter and a bottle of insect repellent inside a cabinet located in one of the four classrooms. During the inspection, the administrator placed both items in a locked storage. Deficiency is now compliant.			

General Comments
<p>2.1(3) During the renewal inspection, the inspector noticed that parents of preschool age children are required to pay additional fees such as a registration fee and a security deposit upon registering their child. To guarantee that childcare remains affordable and accessible to everyone the operator shall ensure that any additional fees requested to parents / guardians are optional.</p> <p>During the renewal inspection, the inspector observed, indoor free play, snack time, lunch, quiet time and outdoor free play.</p> <p>The operator informed the inspector that the play structures in the afterschool gated outdoor play area are not currently being used as protective surfacing is lacking. The park assessment will be conducted in the spring by a member of the licensing team.</p> <p>The ratio is respected during the inspection.</p>
