General Comments
<p>A renewal inspection occurred today, February 12, 2026.</p> <p>The children in all seven rooms were observed during morning snack, preparing for and going for a walk, playing in the outside play area, inside play, lunch, nap/quiet time, diaper changing and handwashing routines.</p> <p>In the childcare rooms, Inspector observed documentation supporting the children's learning.</p> <p>Samples of open-ended process art were observed displayed in each of the rooms.</p> <p>Inspector also observed documentation of the children's learning and exploration. Pictures of the children on this license playing in the snow, exploring tuff trays with invitations of mixing colors, "winter forest", farm animals, The Hungary Caterpillar, muddy textures, "taking care of babies"; bathing and feeding them and exploring letters were observed.</p> <p>Inspector observed educators assisting children in all rooms in putting on winter attire for outside play but also encouraging the children to try to dress themselves.</p> <p>Natural loose parts were observed accessible and available for the children in the rooms to explore.</p> <p>Educators were observed by the Inspector, down at the level of the children in their learning, play and conversations. Positive child guidance techniques were observed being used during the inspection.</p> <p>Facility is recommended for license renewal.</p>
