<p>General Comments</p> <p>The grades k-2 children enjoyed going for a short walk to the school to pick up the grades 3-5 for late dismissal. Upon arriving back to the center, children were asked to go wash their hands and snack was offered for the children who wanted to eat. The children who didn't want to have snack, were able to play freely around the room until snack was over.</p> <p>Once snack was finished, it was decided that it was too hot/humid to play outside, so children's educator ensured children had plenty of activities to do inside.</p> <p>As a large group activity, children played a sort of freeze dance grouping game. Children who didn't wish to participate were able to play freely around the room. Another game observed was "Kind Kim", which is a similar "Simon Says". Educators were observed partaking in the large group activities.</p> <p>Educator was observed ensure she got down to the children's level when speaking with them.</p> <p>A reminder that a "circle time" or "Go-Go guideline" revision does not have to be an everyday requirement as per licensing. Should children not wish to participate, they should be permitted to partake in other activities.</p> <p>Facility going on hold starting Monday for the summer months. Expected to reopen in September 2024 for the new school year.</p>
