General Comments

Staff files were reviewed and updated as new staff have been hired for this location.
Children's files were review. All files contained the required documents.
There were a variety of age-appropriate materials for the children to learn and explore with.
During the visit I observed the children engaged in a variety of activities such as lego, k'nex, arts and crafts, dramatic play, hockey, basketball and children relaxing in the bean bag chairs.
The children appeared to be enjoying themselves and familiar with the daily routine.
