<p>General Comments</p> <p>Upon the arrival of licensing staff, children were arriving from the Go-Go School bus. The group transitioned indoors to the church gymnasium. Children put away their personal belongings, changed their footwear, and lined up. Once everyone was ready, the educator escorted the group upstairs to use the washroom and wash their hands.</p> <p>The group then returned downstairs for snack, which was provided from the children's lunch boxes. Children who chose not to eat were offered free-play opportunities. Some were observed listening to age-appropriate music and drawing.</p> <p>Following snack, tables were cleaned and an invitation to play was prepared. An educator set out parchment paper, play dough, and playdough molding materials. Some children engaged in this activity, while others participated in ball hockey, as nets and equipment were available. Additional children continued drawing or played with magnetic blocks. Other materials available for children to engage with included books, toy animals, a craft corner, LEGO, foam blocks, dinosaurs, and other loose parts.</p> <p>Due to rainy weather, the group remained indoors for the afternoon.</p> <p>Staff and child files were verified. Only positive child guidance practices were observed.</p> <p>Licensing staff recommends the program for renewal.</p>
