<p>General Comments</p> <p>Deficiencies from previous monitoring inspection observed to be compliant at annual inspection.</p> <p>Room 7- Children engaged in activities throughout the environment and educators observed participating with, and engaged in conversation with children. Variety of documentation posted throughout the environment demonstrating children's different interests including multiple webs and learning stories as well as children's open-ended art and print.</p> <p>Room 8- Educators observed in play and conversation with children. A variety of invitations set up for children to engage with. Educators have done a great job of transforming their environment to reflect the children's current interests.</p>

General Comments

Room 9- Children not present during monitoring inspection, but environment set up with invitations and current project on plants posted.
