General Comments A renewal inspection was conducted today. The children were observed during inside play, outside play, lunch and rest/quiet time. Educators were observed speaking kindly and respectfully to the children and re-directing behaviours appropriately. A variety of documentation is displayed throughout each of the rooms demonstrating the

General Comments

children's learning and abilities and are at a level so that they children can revisit at any time.

Educators were observed setting up invitations for learning as to when the children arrived from outside play they would have an opportunity to engage in a new activity.

Discussed with team leader the outside play area and the need for materials to be added now that the snow has melted.
