<p>General Comments</p> <p>A Monitoring Inspection was completed.</p> <p>Room 7 - Children were observed during drop off, free play, and story time. Children were observed practicing their cutting skills and playing in the dramatic play area, making food. An educator was observed reading a Halloween themed book to the children. Children were observed sitting, listening, and asking questions throughout the story.</p> <p>Room 8 - Children were observed finishing snack. Those that finished early, were observed reading. Once snack was finished, children were observed washing their hands, and getting lined up for a walk. Educators stated that the children were going to Ritchie Lake, to feed the ducks.</p> <p>Room 9 - Children were observed washing their hands and getting ready for snack. Children were observed sitting at their table, eating snack.</p> <p>Room 10 - Children were observed sitting at a table, making paint colors. Children were observed mixing paint. Once children were satisfied with their color, they named it, covered it, and then added it to the classroom arts & crafts center. Each child made a unique color and educator stated that these colors would be shared amongst the children.</p> <p>Several forms of documentation were observed in all rooms - photos, learning stories, children's artwork, etc. Several well-defined centers were also observed - building, dramatic play, arts and crafts, loose parts, and a cozy reading area.</p> <p>Parent Board was observed. Previous Monitoring and Renewal Inspection reports were observed. Allergies,</p>
