General Comments

A renewal inspection occurred today.

The children were observed during morning snack, indoor free play, preparing for outside play/walk, lunch, nap/quiet time.

In each of the learning environments, children were observed actively engaged in the learning centres.

Handwashing was observed occurring several times during the inspection.

Children's learning is documented and displayed in each of the rooms, depicting the children's current interests and learning.

Respectfully and positive interactions by the Educators were observed when they were interacting with the children in their care.
