General Comments
<p>Visit done at the center for a monitoring inspection. Ratio was respected During the visit, the Quality Assurance monitor verified:</p> <ul style="list-style-type: none"> - if all required documents are posted in a visible and prominent place in the facility, - Daily activities - if children's personal belongings are easily accessible, labelled with the name of the child, only used for the intended child and stored separately for each child. <p>The facility implements an inclusive daily program which contains a variety of purposely planned activities, opportunities and experiences.</p> <p>Quality Assurance Monitor was able to observe children do a painting activity. She was also able to observe children play lego together. Each child had to build something, then describe to the others what they built. Positive interactions between the operator and the children were observed.</p>
