ELCC Licensing Staff Renée LeBlanc	Position Title Inspector	

Order for Compliance	Regulation	Date to be corrected	Date corrected
----------------------	------------	----------------------	----------------

General Comments

Licensing staff conducted the annual renewal inspection. Upon arrival, children had not yet reached the facility. Educators were waiting at the end of the driveway for the children to arrive from the Go-Go bus. Once the children arrived, attendance was taken.

One group remained outdoors, where children applied sunscreen and used hand sanitizer. Some children ate snack at the picnic table, while others engaged in play activities such as using the sandbox, climbing on the play structure, playing soccer, and running. Educators were actively engaged with the children and provided positive child guidance throughout. Both outdoor bins were stocked with age-appropriate materials.

The second group went indoors, washed their hands, and participated in free play. Activities included Lego building, board games, reading, and colouring. A guest later arrived to introduce the group to Chinese culture and Mandarin language.

The outdoor group participated in a game of tag with educators before their turn with the guest speaker. Both groups spent the remainder of the afternoon outdoors.

Fire drills were completed for the month of April. A reminder was given to complete the outdoor checklist, as it has not been updated since March. Staff and children's files were verified, and the parent board is up to date.

Licensing staff recommends the program for renewal.
