General Comments

On the day of my visit I toured the new jungle section of Lynne's outdoor play area. The children and Lynne created it together and it is a very creative, collaborative endeavor that everyone enjoyed immensely. The children are pursuing their interest in jungles and jungle animals and one of the children had just visited the zoo and shared their videos of their visit. The emergent curriculum is expressed in every part of Lynne's programming.

Everyone has a nap or quiet time and they are very comfortable with their schedule.
