General Comments
<p>Licensing Staff arrived at Dragonfly Daycare and Afterschool Club to introduce themselves as the facility's new Quality Assurance Monitor. Upon arrival, the Operator was outside. During today's Monitoring Inspection only one child was in attendance.</p> <p>The Operator has created several walking trails throughout the woods. Rocks, wooden discs and logs were used as a guide throughout the pathway. After a walkthrough of the trails, the Operator and child got a basket and went to pick apples from the apple tree. Throughout the morning the child engaged in a variety of activities such as golfing, making a home for a slug and collecting grass, rocks and other natural elements to bake an apple pie in the outdoor play kitchen.</p> <p>Inside, the facility was bright, welcoming and organized. The Operator had photobooks which contained pictures of the children playing with their peers and memories from throughout the year. All materials were on low shelving to ensure accessibility for children. Only positive child guidance was observed today. The Operator was patient, loving and nurturing when interacting with the child.</p>
