Order for Compliance	Regulation	Date to be corrected	Date corrected
26(2) The operator of a licensed facility shall require the parent or guardian referred to in subsection (1) to sign a declaration confirming that he or she has read and understood the content of the handbook.	26(2)	Sep 07, 2023	Sep 07, 2023
Comments: 1 of 10 child record verified was missing the signed statement from parent confirming they have read and understood the parent handbook. The Quality Assurance Monitor informed the administrator who faxed the page to the parent right away and the parent was able to sign it and send it back to the administrator right away. Deficiency is now compliant.			
31(3) An operator shall maintain the outdoor play area of a licensed facility to ensure the safety of the children.	31(3)	Sep 07, 2023	Sep 07, 2023
Comments: While verifying the outdoor play area, the Quality Assurance Monitor noticed that a pallet in the infant outdoor play area had broken pieces. The Quality Assurance Monitor mentioned to the educators that the pallet was broken, and it was a risk for children to get their foot stuck in it or get hurt. The educator stated that the pallet was going to be removed and that the children would not be let on the pallet anymore. The Quality Assurance Monitor advised the administrator of the concerns regarding the broken piece on the pallet. The administrator advised that the broken pallet would be removed and replaced as soon as the operator was on site. The administrator sent a picture of the broken pallet being replaced to the Quality Assurance Monitor via email. Deficiency is now compliant.

General Comments

The Quality Assurance Monitor was able to observe children playing outdoor, where educators were engaged in different types of play with children. The Quality Assurance Monitor observed one educator playing hide and seek with children, helping the seeker count and look for children hiding in the playground.

The Quality Assurance Monitor was able to observe an educator playing on the pretend car and singing the wheels on the bus with children. The Quality Assurance Monitor also observed an educator on the lookout for bugs and worms with a group of children.

The Quality Assurance Monitor noticed that the educators were very attentive to the children and positive interactions between educators and children were observed.

The Quality Assurance Monitor also noticed that while children are waiting to use the washroom or for diaper changes, the educators sign with the children to keep them occupied.
