General Comments
<p>The children were going outside when I arrived then skating in the arena. The child and staff files are well organized and complete. Please ensure medicare numbers are updated as needed.</p> <p>The space is open and includes an area for art, reading, building and moving. This program spends a lot of time outside and on outings as well using the building they are located in. They regularly use the pool, rink and gym space.</p>
