General Comments
<p>On July 25th, 2022, licensing staff arrived at the licensed facility to conduct a monitoring inspection visit. The children had just come from a trip to the local forest as they had a field trip in the community.</p> <p>The children were engaging in free play activities when I arrived. There were some children playing ping pong while other children were engaging in dramatic play.</p> <p>After free play activities, the children had a quiet time where children were given the option to draw, colour, or read. Once the children started to become restless the educator asked if the children wanted to play Four Corners." The children were seen laughing and enjoying trying to remain the last person from getting out.</p> <p>Please ensure that if children are going to the washroom unsupervised, parents have provided consent for those children to be unsupervised while going to the washroom.</p>
