----------------------	------------	----------------------	----------------

General Comments
<p>Due to the cold weather the children were in the gym playing dodgeball and having a dance party with when I arrived.</p> <p>The indoor play has a variety of learning centers set up. Children's artwork and coloring are displayed on the walls. This group is really in Pokémon. Majority of the pictures on the wall are about Pokémon.</p> <p>The children's files were organized and complete.</p> <p>Educators were observed advising children of future transitions to another activity. For example, "in 10 minutes we're going wash our hand and get ready to watch a movie"</p> <p>Once the dodgeball game was finished, the children did a bathroom break before having popcorn and watching a movie. They were going to watch "The Grinch"</p>
