Order for Compliance	Regulation	Date to be corrected	Date corrected
28(1) An operator of a licensed facility shall not change the allocation of space used to provide services or add to or alter any building or facility or any part of them unless the Minister has approved the changes in writing.	28(1)	Sep 06, 2023	
Comments:			

General Comments
Upon Licensing Staff arrival, the operator informed me that the facility was closed due to a flood. Materials had been loaded into a U-Haul van and the Inspector was unable to complete the annual renewal inspection.
The Department was not made aware that the facility had a flood and that the facility had been closed.
