<p>General Comments</p> <p>This afternoon, QAM observed children engaged in outdoor play. Children were seen playing on the playground and participating in a game of Grounders. Educators reported that the children's current interests include ball hockey, Ga-Ga ball, tag, Grounders, art, and board games.</p> <p>During the observation, educators were actively involved in the children's play, including participating in the game of Grounders. Positive child guidance strategies were consistently demonstrated, with educators providing encouragement and supportive interactions.</p> <p>Child-to-staff ratios were accurate and up to date at the time of the observation.</p>
