General Comments
<p>During the renewal inspection, the inspector observed the children having their snack, playing freely inside, playing outside and lunch.</p> <p>Positive interaction between children and staff is observed.</p> <p>Ratio is respected during the renewal inspection.</p> <p>The inspector did go through the school park where the children play outside and did find the protective surface surrounded with appropriate depth. The inspector mention to the administrator that when the children play sometimes the pea gravel is not the appropriate depth underneath the stationary equipment, to rake or put more underneath those areas so there are no holes.</p>
