General Comments
<p>The Quality Assurance Monitor was on site for a monitoring inspection. Ratio was respected during the visit.</p> <p>While on site the Quality Assurance Monitor observed children playing indoor in various centers. The Quality Assurance Monitor notice some children were doing a craft that was spread out on the table for children who wanted to participate. White pages were on the table with a white wax crayon, the children needed to write a secret message or make a secret drawing with the white wax crayons, once that was done, they also had water paint that they could paint over it to reveal the secret message or drawing.</p> <p>The Quality Assurance Monitor was also able to observe the educators roaming around to ensure an adequate supervision on all children. Positive interactions between educators and children were also observed.</p>
