<p>General Comments</p> <p>On the day of my visit the children were playing in the woods behind the fenced play area. They were building bases and were playing within a designated area. They seemed to be enjoying the natural environment a lot and they had mud and slugs and were exploring the messier aspects of nature. This week is a themed hockey week and they are having an indoor hockey tournament in the afternoon.</p> <p>The staff files are up to date and the Administrator was on site to review the staff and child files with me during my visit.</p>
