General Comments

On the day of my visit the centre was short staffed and there were a series of emergencies that had occurred over the weekend, ratio was being met. The Administrator had to be counted in the numbers was not available to meet with me. Fortunately the Owner came in for a meeting and was able to go over the inspection report with me. The afterschool children are using the woods as their outside play area and on one side there is a fort and on the other side there is nothing but trees. If you use a an outdoor area it needs to be set up for outside play.

The inside area was better set up and had more supplies.
