General Comments

you.

\*Incident reporting is being tracked in educator's classrooms. Please ask educators to add 'the care that was provided'. Parents have signed off so they are aware.

\*Children finishing lunch and going down for a nap during my visit. Other children who do not nap are involved in a variety of age appropriate, educational, and fun programming- lego, peg board, manipulatives, puzzles, matching game etc.

\*appropriate child guidance observed. Educators are engaged and providing lots of time to complete activities.

\*Staff training requirements - since my last visit, some educators remain on a waitlist to complete the 90 hour Intro to ECE. All have confirmations in their file and hopefully will complete the training this spring.
