General Comments

On the Morning of my visit the children were outside playing. The children were engaged in a variety of activities such as digging holes in the sand box, playing on the slide and building towers with the blocks of wood.

There are plenty of learning stories posted and evidence of planned programming.

Proper procedures are being followed for meals and naptime. proper hand washing procedures were observed and nap cots are the proper distant apart.

Staff files were updated as new staff have been hired since the last monitoring visit.
