General Comments
Licensing staff arrived at the licensed facility to conduct a Follow-up License Renewal Inspection.
The children just woke up from their nap and were getting ready to eat their afternoon snack.
Licensing staff observed the infants engaging in a mark-making activity using crayons and small pieces of white paper.
Please ensure mark-making materials are accessible to the infants when engaging in play in the indoor play environment.
The two- and three-year-old children were having a picnic snack outside as it was a warm, sunny September day.
