Comments: Deficiency is now compliant			

General Comments
<p>A monitoring inspection was conducted today at the preschool, however the children were not present as they were on an outing and picnic at the Lion's Building playground.</p> <p>Observations were done on the inside and outside learning areas of the centre. Children have a wide variety of materials to interact and engage with in both areas.</p> <p>The children were on a walk/picnic to the Lion's Building in Grand Bay-Westfield, so after speaking with the operator at the facility and looking at the environments, I went to the Lion's Building playground to see the educators and children. Upon arrival the children were finishing up their lunches.</p> <p>Discussions were had with the educators regarding diaper changing and hand-washing while on the outing. The educators indicated they have permission to enter the basement of the Lion's Building to take children to use the washroom, do diaper changes, and wash hands.</p>
