Order for Compliance	Regulation	Date to be corrected	Date corrected
28(3) The premises of a licensed facility shall comply with (a) lighting, ventilation and other general health standards under the Public Health Act.	28(3)(a)	May 20, 2022	
Comments: One bathroom is out of order. Floors have been ripped up and everything removed. Upon opening the door of this bathroom, floor was wet and the room smelled. Since then, the room has been cleaned, Public Health has checked the situation out, operator has been in touch with a contractor, and plans have been made to continue the process of repairing and getting the bathroom back up and running again. Bathroom to remain closed, with a barrier in place, until all repairs have been made, and bathroom is ready for use.			

General Comments
A Monitoring Inspection was completed this morning. Children were observed during outside play. At arrival, educators were observed raking mulch, ensuring that all fall zones contained enough. Children were observed swinging from the Monkey Bars, swinging on the Boat Swings, sitting in an Airplane, and sitting and listening to a story, in the Outdoor Reading Area. Children were also observed sitting in the Outdoor Art Area, drawing pictures. Educators were observed sitting with, talking to, and taking part in activities with the children, and educators were also heard giving lots of praise and encouragement, to the children. The indoor play area was also observed, while the children played outside. The Dramatic Play, Reading, Arts & Crafts, and Building centres, were well defined. Documentation was observed throughout the facility, and bins, shelves, and tables appeared to be organized. A conversation was had with the operator regarding one of the bathrooms. Operator is in the process of redoing one of the bathrooms, due to a plumbing issue. Operator ensured that she has been in contact with a contractor, and that work would be started soon.
