General Comments
<p>A Monitoring Inspection was completed this afternoon. Children were observed during inside play. In the left-hand side room and entry way, children were observed looking at books, stacking boxes, coloring, and drawing. In the right-hand side room, children were observed dancing to music, with their educators.</p> <p>A conversation was had regarding the layout of the left-hand side of the basement. This side will be remeasured.</p> <p>QAM noticed that facility was on outbreak, after arriving. Operator is to send an incident report to Quality Assurance Monitor when an outbreak is declared by Public Health.</p> <p>Quality Assurance Monitor was not able to complete a full monitoring inspection today. A full monitoring inspection will be completed in the near future.</p>
