General Comments

Monitoring Inspection - COVID-19 Recovery Phase

COVID-19 public health documents are being completed as required. Physical distancing is being maintained between groups. A cleaning schedule is being followed.

The children were observed to be happily engaged in activity within the interest centers in each group. A variety of props and materials are available for the children to play with and participate with their peers.

General Comments

Handwashing observed at different times throughout monitoring inspection. The bathroom was being cleaned between users.
