| General Comments |
| <p>A monitoring inspection was conducted today at the school-age program. Children were observed participating in inside play, snack, and outside play.</p> <p>Discussed with operator and administrator the closing of one of the groups due to staffing issues. Discussed groupings and ensuring that parents only send their children on days they are scheduled to attend. Discussed the COVID-19 maximum group size of 15 children with one educator.</p> <p>The educators were observed engaged with the children and having respectful and meaningful conversations. The children appeared happy and content in their environments and with their educators.</p> |
