Upon entry, the following items were observed: fire evacuation procedures, daily schedule, contact information for licensing staff, and the most recent Renewal and Monitoring Inspection Reports. Government issued attendance records were observed, and they were accurate. A "Summer Activity" Binder was observed at the front entrance, for parents and guardians to see. It showcased several of the activities the children have taken part in thus far - Making their own pizzas at Pizza Delight, Christmas in July, etc. It was a rainy day, and children were observed inside. Children were observed organizing the doll house & accessories, building, and playing with a battery-operated car. Tables were set up with activities - bracelet making, puzzles, games, building supplies, etc. Children were overheard talking about yesterday's Dance Party, and educator stated that there would be a Fashion Show later today. Educator stated that the "Zoo" will be visiting the children next week.
