<p>General Comments</p> <p>Monitoring Inspection:</p> <p>Children and educators engaged in play this morning. Educators observed having conversations down at the children's level. Children were invited to bring musical instruments to story time while their educator read "Mortimer"; they got to bang and make noise. The children laughed and appeared to be enjoying story time.</p> <p>Materials have been added to the environment based on the children's interests. The dramatic play area now has a "Recording Studio" with a variety of musical instruments for the children to explore. The educators have a display of photos of famous Rock Stars and different types of musical instruments on the wall. Great work creating an inviting and interesting environment for the children!</p> <p>Ensure posted Daily Routine reflects outdoor play.</p>
