<p>General Comments</p> <p>Monitoring Inspection:</p> <p>Children and educators observed engaged in a variety of activities this morning including dramatic play, water play, stories, playdoh and fine motor activities. The learning environment is set-up with a variety of invitations for the children to explore freely. The dramatic play area is set-up as a birthday party for the class stuffed cat. Children were observed pretending to bake a cake and wrap presents for the cat. The children are currently exploring photography and are encouraged to take photos of their experiences to revisit at the end of the day.</p> <p>Purposeful planning is evident through documentation, photos, invitations and materials added to the environment that support the children's current interests (Pete the Cat, pets and stuffies, birthday parties and photography).</p> <p>Cereal with milk was served for morning snack. Children were encouraged to serve their own snack. Handwashing routines observed before snack.</p> <p>Daily attendance forms were observed to be complete and accurate. Monthly fire drills are documented.</p>
