<p>General Comments</p> <p>Monitoring Inspection:</p> <p>Children and educators observed engaged in a variety of activities this morning including drawing, playdoh, sensory opportunities, painting and exploring chalk. A small group of children and their educator were observed sitting together and building a marble run, the educator encouraged children to problem solve independently and work together. Educators were observed encouraging children to tidy up their environment. One child used a small broom to help sweep up materials from the sensory table.</p> <p>Purposeful planning is evident through documentation, invitations and materials added to support the children's current interests (dinosaurs, sensory play, pumpkins and playdoh).</p> <p>Ensure the most current Monitoring Inspection is posted on the Parent Board and that the written fire evacuation procedures are added to the floor plan drawing at the door to the learning environment.</p> <p>Ensure an indicator is added to the menu to show which week of snacks is currently being served.</p> <p>Handwashing routines were observed during washroom routines and before home snack. Monthly fire drills are documented. Daily attendance records are accurate and reflect all children present. Child-to-staff ratio was observed to be met during Monitoring Inspection. New staff file (2) review was completed. One staff's Criminal Record Check is from out of province, ensure a new one from the local police detachment is obtained and added to file. Staff is not to be left alone with children until new Criminal Record Check is on file.</p>
