General Comments
<p>Children were having snack when licensing staff arrived. Morning snack of the day was banana, waffles and milk.</p> <p>Once snack time was over the children played a matching game with letters and painted some pictures. There were a variety of items used for painting such as close pins, pompoms and different size paint brushes along with multiple paint colors.</p> <p>During outdoor play time the children participated in a variety of activities from sandbox play, soccer/bowling game and having a picnic with the basket of play food.</p> <p>The operator follows the children's interest by asking what they would like to do.</p> <p>There is evidence that the NB Curriculum is being implemented, as seen by the detailed learning stories that are posted in the room.</p> <p>The children seem comfortable in the environment and are familiar with the daily routine as observed during snack and clean up time.</p> <p>The Home facility is very clean and organized.</p>
