General Comments

The Quality Assurance Monitor is on-site for a monitoring inspection. During the inspection, the Quality Assurance was able confirm that all required posted documents were accessible and visible. The Quality Assurance Monitor was on-site during lunch time and nap time.

The Quality Assurance Monitor observed that the menu posted at the entrance was outdated. The administrator immediately placed the copy reflecting the current menu.

The Quality Assurance Monitor was also able to confirm that all chemical products, cleaning products and toxic products were locked and made inaccessible to the children.

The ratio was respected during the inspection.
