Order for Compliance	Regulation	Date to be corrected	Date corrected
21 The daily activities of a licensed facility shall be purposely planned in advance and documented and shall respond to the capabilities, needs and interests of each child.	21	May 28, 2025	Jul 23, 2025
Comments: The inspector observed improvements in programming and the intentional planning and documentation of activities. Educators provided binders outlining their planning and documentation processes, including evidence of children's learning and development. One group featured a weekly science and planet theme, which supported a variety of interests and learning styles, visibly showcased on the classroom wall. Deficiency is now compliant.			

General Comments
Inspector is onsite to complete the following inspection. Inspector was able to observe children playing outdoors, a game a ball throw, water activity with pool noodles and children playing freely in the open space. Lunch time was also observed.
Ratio was respected during the follow up inspection.
