<p><b>General Comments</b></p> <p>A Monitoring Inspection occurred in the afternoon of January 8, 2025</p> <p>The children in both the preschool and the school age programs were observed in the indoor environment.</p> <p>Preschool Group: Upon arrival, the children were observed engaged in a collaborative art painting activity at the table. They then transitioned to free play, which included using the indoor gym structure, exploring a winter themed tuff tray, playing musical instruments, and doing puzzles. The educators shared that the children are currently interested in art activities, animals, dramatic play, and music.</p> <p>School Age Group A: Several children were observed eating snack with hand washing occurring beforehand. The children who did not choose to eat snack were observed in free play activities that included exploring a construction tuff tray, drawing at the table, building with magnetic blocks, and building a fort using the table, chairs, and blankets. The children shared they currently enjoy building with magnetic blocks and drawing.</p> <p>School Age B: The children were observed playing the game Brain Box with their educator. The children shared that they currently enjoy playing board games and building with Lego and magnetic blocks. The children also shared their documentation binder with licensing, reviewing each picture and revisiting the activities.</p> <p>Educators demonstrated positive interactions by using encouraging language and gentle reminders. They asked open ended questions, listened actively, and extended children's ideas through conversations.</p> <p>A clearly visible and prominent area was designated for posting the facility license, current monitoring reports, and any orders for compliance. Additional documents observed included incident logs, daily attendance records, and monthly emergency evacuation and fire drills.</p> <p>A conversation took place with the administrator on the following:</p> <ul style="list-style-type: none"> <li>• Educators to ensure that children's learning is recent and visible in the classroom through documentation.</li> </ul>
