General Comments
<p>Observed educators using gentle reminders when children needed reminding to wear their masks while in common areas and to stay within their classroom bubbles.</p> <p>All children were observed playing outside in different parts of the school's playground/fields enjoying the gorgeous weather. Educators ensured that after being out for awhile, that the children were able to come inside to play and cool down.</p> <p>Children's belongings are stored in easily accessible labelled hooks and cubbies.</p> <p>Please ensure that educators keep a close eye on the Lego tables in their classrooms as the legs appear to easily become loose/unscrewed, causing a potential safety hazard to the children.</p>
