General Comments
<p>One group was in the process of opening their Go-Go Christmas present during time of visit. The educators turned it into a fun game! They suggested that all children put gloves/mittens on (those who did not have any were provided with a pair), they would put music on and each child had a chance to try and open the present with their gloves/mittens on, but once the music stopped, they had to pass the present to the next person in the circle. In the end the children were thrilled to find out that they got their very own Go-Go crazy carpet sled!! This was so much fun to watch!!</p> <p>The second group was in another room having snack/free play. They were waiting until the grades 3-5 children got out of school to join their group so that they could open their presents together. When the grades 3-5 arrived they all went outside, while all singing Christmas songs, they took turns opening their group's present which were also Go-Go crazy carpets!</p> <p>All child files are organized and contain all required documents as outlined in ECS Regulation.</p>
