<p>General Comments</p> <p>Monitoring Inspection--COVID 19 Recovery Phase</p> <p>Children were observed resting as well as engaged in play. A variety of materials are available and the operator indicated that she has bins of materials that she changes out each day so that cleaning and sanitizing can occur each day as per the COVID-19 Recovery Phase Document.</p> <p>Operator was observed speaking kindly and appropriately to the children and was attentive to their needs and wants. The children appeared to be happy and content in their environment.</p>
