General Comments

A Monitoring Inspection was completed this morning. Children were observed entering the ELC Home, during play, and during snack. The indoor environment was set up with several well-defined learning / play areas - dramatic play, arts and crafts, building, loose parts, etc. Several forms of documentation were observed - children's artwork, learning stories, photos, and a word wall. Children were observed playing with cars, babies, sliding on the indoor slide, playing with Cloud Doh, and filling and dumping baskets of balls. Operator stated that the children also enjoy outdoor play and that some of their favorite activities are walks, swings, sliding, making snowmen, and feeding the horses at Rockwood Park.
